Editorial

On this occasion, I thank the Co-editor and members of the Scientific Committee, for its management during the period in which I have been Editor of the Journal of the Chilean Chemical Society, since this responsibility has undoubtedly meant an invaluable effort and sacrifice of time on your part, which has been fundamental to this Editor, in order to successfully complete this arduous task.

In relation to the above, I report to you and the scientific community that the new directors of the Chilean Chemical Society, dated July 2, 2014 has ratified to me as Editor of our Journal. In this context, I welcome to the new Scientific Committee their agreement to be part of this committee and I invite you to keep moving increasingly on improving our Journal.

I express my thanks to Dr. Victor Kesternich, who nevertheless their academic responsibilities, has agreed to be Associate Editor.

I also extend these thanks to the new members of the Scientific Committee.
